++ Valid for broadcast between 0600 and 1800

Headline:
Turning dry and sunny, very warm into the weekend.

Today:
Any overnight fog in the west soon clears to give way to a dry day with variable cloud and sunny spells. Feeling warm, though slightly cooler near any western coastal areas. Maximum temperature 24 deg C (75 deg F).

Tonight:
Turning muggier overnight, as some patchy low cloud moves in and allows for the occasional bit of drizzle. Some fog patches are also likely to form in the west. Minimum temperature 13 deg C (55 deg F).

Thursday:
A cloudy start with maybe the odd bit of drizzle, but the day soon brightens up to give some good sunny spells. Feeling warm. Maximum temperature 24 deg C (75 deg F).

Outlook for Friday to Sunday:
Turning dry into this period, with plenty of sunshine. Temperatures also increasing further to feel very warm, and hot in any sunshine.
